Acquisition of Investor Shares

- i. submission to the Company at the office of the Administrator of a properly executed Subscription Agreement including the Investor Declaration Form, the Bank Transfer Instruction Letter and those documents required in the AML Supplement; and
- ii. remitting the related subscription monies.

In respect of each subscription for Investor Shares, the Subscription Notice Period shall run as from the first Business Day following receipt by the Company at the office of the Administrator of both:

- a. the documents listed under (i) above; and
- b. confirmation that the full amount subscribed for the Investor Shares has been received in cleared funds.

The Investor Shares will be issued on the first Subscription Day following the expiration of the said Subscription Notice Period. Full details of the application and subscription process appear in “**Section 19 | Acquisition of Investor Shares in Open-Ended Sub-Fund(s)**” of the Offering Memorandum.

A specimen Subscription Agreement and Investor Declaration Form may be obtained from the Administrator.

Redemption of Investor Shares

Unless otherwise stated therein, Investors are directed to “**Section 20 | Redemption of Investor Shares in Open-Ended Sub-Fund(s)**” of the Offering Memorandum where the procedures relating to the redemption of Investor Shares and the conditions applicable thereto are outlined. In terms of the Memorandum and Articles, redemption requests are, once made, irrevocable.

Investors may at any time (subject to what is stated hereunder) irrevocably request the Company in writing to repurchase all or any part of their Investor Shares, subject to a part repurchase not resulting in an Investor holding less than the applicable Minimum Holding threshold, and subject to the Company reserving the right to defer all or part of any redemption request in terms of this Offering Supplement.

The Minimum Redemption amount for each redemption request shall not be less than US\$ 10,000. As stated above, a partial redemption request will not be accepted if this will lead the holding of an Investor in the Sub-Fund to fall below the Minimum Holding requirement.

Such request shall be made using the respective redemption form available from the Administrator, and shall be made in such form and manner as determined by the Company from time to time.

A Redemption Day is the last day of the fourth full calendar quarter following the date of the subscription of the Shares to which the redemption relates, if such day is a Business Day, and if not the next following Business Day, and thereafter as of each anniversary of such date. For the purpose of determining the anniversary date, Shares purchased as of the first day of a calendar quarter will be treated as if invested for the full calendar quarter. For avoidance of doubt, for Investor Shares issued on the 1st of June of a given year will be the 30th of June of the subsequent year and the anniversary date will be 30 June of each subsequent year). Requests for redemption of Investor Shares must be received by the Company within, and in accordance with, the Redemption Notice Period. If a redemption request is received after the above-indicated time and date, and subject to the overall right of the Company to defer all or part of the redemptions as provided below, the redemption request will be processed and the relevant Investor Shares will be redeemed on the next following Redemption Day.

Notwithstanding the above, the Directors reserve the right to allow, on an exceptional and case-by-case basis, for a redemption to be permitted on the last day of the first full calendar quarter following the date of the subscription of the Shares to which the redemption relates, if such day is a Business Day, and if not the next following Business Day.

Save as aforesaid, there is no restriction on the submission of redemption requests, subject to the right of the Board to defer, suspend or mandatorily redeem the Investor Shares in accordance with **Section 20 | Redemption of Investor Shares in Open-Ended Sub-Fund(s)** and with the provisions of this Offering Supplement.

Requests for the redemption of Investor Shares, which are to be addressed to the Company, will be processed by the Administrator.

Redemption Price

Investor Shares will, when the Company accedes to the redemption request, be redeemed at the prevailing Redemption Price on the relevant Redemption Day, which will be the applicable Net Asset Value per share as calculated on the Valuation Day occurring on the relevant Redemption Day or, where the relevant Redemption Day does not fall on a Valuation Day, the Net Asset Value per Investor Share as calculated on the immediately preceding Valuation Day less such fees or expenses as may be applicable or as the Company may be entitled to deduct or recover therefrom in terms of this Offering Supplement, the Offering Memorandum and/or the Memorandum and Articles. In the event that the calculation of the Net Asset Value has been suspended or postponed, the relevant Investor Shares will, when the Company accedes to the redemption request, be redeemed at the prevailing Redemption Price on the next effective Redemption Day following the resumption of calculation of the Net Asset Value (less the fees or expenses as aforesaid).

Payment of Redemption Proceeds

Once the Company has acceded to the redemption request of an Investor, written confirmation will be sent to such Investor, within ten (10) Business Days from the relevant Redemption Day, containing information on the number and value of Investor Shares redeemed. Normally the Company will arrange for payment of the net proceeds to the Investor within ten (10) Business Days after the relevant

Redemption Day. Payment on redemption may be delayed in the case of extraordinary circumstances, such as the default or delay in payments due to the Sub-Fund from banks or other persons or in the circumstances applicable in case of deferral or suspension of redemption.

The Company may in its discretion hold back a portion of the redemption proceeds payable to a shareholder in respect of Investor Shares being redeemed (whether such redemption is voluntary or mandatory) to satisfy contingent or expected liabilities or due to similar holdbacks applied at the level of the Fund's underlying investment/s. The amount of Redemption Proceeds held back will be determined by the Company in its sole and absolute discretion, taking into account such factors as it considers relevant with respect to any contingent liability to which the amount being held back relates. However, as a non-binding indication, the holdback will not usually exceed 10% of the redemption payment. Such holdbacks will reduce the redemption proceeds paid to a redeeming Shareholder. The unused portion of any holdback will be distributed to the Shareholder/s to which the holdback applied after the Company has determined that the need therefor has ceased.

Payment will be made to the Investor in the form of a bank cheque, electronic transfer or other means of settlement determined by the Company at the address or bank account of the Investor as provided for this purpose to the Company in the redemption request form (with charges for the account of the recipient). Payment will ordinarily be made in the Base Currency of the relevant class within the Sub-Fund. Payment will generally be made in cash although the Company shall be entitled to pay the Redemption Proceeds in kind as provided and subject to the relevant provisions of the Memorandum and Articles and the Offering Memorandum.

The Company and Administrator are entitled to require additional documents, such as, but not limited to, trust instruments, death certificates, appointments as executor or administrator and certificates of corporate authority, prior to making any payment in respect of redemptions.

Where certificates have been issued (at the request of the Investor) in respect of the relevant Investor Shares, these Investor Shares will not be redeemed and the Redemption Proceeds will not be paid until the said certificates are duly returned to the Company or the Administrator or, in case of loss thereof, until the Investor gives such indemnity or verification as may be requested by the Company.

Exchange of Shares

Exchanges of Investor Shares in the Sub-Fund with any other Class of Investor Shares in issue are not permitted.

Investment Restrictions

Other than what is stated above, there are no restrictions in the manner and extent to which the Company may deploy, pledge or otherwise give as security, the assets of the Sub-Fund, or assume liabilities, in pursuit of the specific investment objective, approach and strategies of the Sub-Fund.
