A specimen Subscription Agreement and Investor Declaration Form may be obtained from the Administrator.

Redemption of Investor Shares

Unless otherwise stated therein, Investors are directed to “**Section 20 | Redemption of Investor Shares in Open-Ended Sub-Fund(s)**” of the Offering Memorandum where the procedures relating to the redemption of Investor Shares and the conditions applicable thereto are outlined. In terms of the Memorandum and Articles, redemption requests are, once made, irrevocable.

Investors may at any time (subject to what is stated hereunder) irrevocably request the Company in writing to repurchase all or any part of their Investor Shares, subject to a part repurchase not resulting in an Investor holding less than the applicable Minimum Holding threshold, and subject to the Company reserving the right to defer all or part of any redemption request in terms of this Offering Supplement.

The Minimum Redemption amount for each redemption request shall not be less than EUR 10,000. As stated above, a partial redemption request will not be accepted if this will lead the holding of an Investor in the Sub-Fund to fall below the Minimum Holding requirement.

Such request shall be made using the respective redemption form available from the Administrator, and shall be made in such form and manner as determined by the Company from time to time.

Requests for redemption of Investor Shares must be received by the Company in accordance with the Redemption Notice Period prior to a possible Redemption Day. If a redemption request is received after the above-indicated time and date, and subject to the overall right of the Company to defer all or part of the redemptions as provided below, the redemption request will be processed and the relevant Investor Shares will be redeemed on the next following Redemption Day.

Save as aforesaid, there is no restriction on the submission of redemption requests, subject to the right of the Board to defer, suspend or mandatorily redeem the Investor Shares in accordance with **Section 20 | Redemption of Investor Shares in Open-Ended Sub-Fund(s)** and with the provisions of this Offering Supplement.

Requests for the redemption of Investor Shares, which are to be addressed to the Company, will be processed by the Administrator.

Redemption Price

Investor Shares will, when the Company accedes to the redemption request, be redeemed at the prevailing Redemption Price on the relevant Redemption Day, which will be the applicable Net Asset Value per share as calculated on the Valuation Day occurring on the relevant Redemption Day or, where the relevant Redemption Day does not fall on a Valuation Day, the Net Asset Value per Investor Share as calculated on the immediately preceding Valuation Day less such fees or expenses as may be applicable or as the Company may be entitled to deduct or recover therefrom in terms of this Offering Supplement, the Offering Memorandum and/or the Memorandum and Articles. In the event that the calculation of the Net Asset Value has been suspended or postponed, the relevant Investor Shares will, when the Company accedes to the redemption request, be redeemed at the prevailing Redemption Price on the next effective Redemption Day following the resumption of calculation of the Net Asset Value (less the fees or expenses as aforesaid).

Payment of Redemption Proceeds

Once the Company has acceded to the redemption request of an Investor Investor, written confirmation will be sent to such Investor, within ten (10) Business Days from the relevant Redemption Day, containing information on the number and value of Investor Shares redeemed. Normally the Company will arrange for payment of the net proceeds to the Investor within ten (10) Business Days after the relevant Redemption Day. Payment on redemption may be delayed in the case of extraordinary circumstances, such as the default or delay in payments due to the Sub-Fund from banks or other persons or in the circumstances applicable in case of deferral or suspension of redemption.

Payment will be made to the Investor in the form of a bank cheque, electronic transfer or other means of settlement determined by the Company at the address or bank account of the Investor as provided for this purpose to the Company in the redemption request form (with charges for the account of the recipient). Payment will ordinarily be made in the Base Currency of the relevant class within the Sub-Fund. Payment will generally be made in cash although the Company shall be entitled to pay the Redemption Proceeds in kind as provided and subject to the relevant provisions of the Memorandum and Articles and the Offering Memorandum.

The Company and Administrator are entitled to require additional documents, such as, but not limited to, trust instruments, death certificates, appointments as executor or administrator and certificates of corporate authority, prior to making any payment in respect of redemptions.

Where certificates have been issued (at the request of the Investor) in respect of the relevant Investor Shares, these Investor Shares will not be redeemed and the Redemption Proceeds will not be paid until the said certificates are duly returned to the Company or the Administrator or, in case of loss thereof, until the Investor gives such indemnity or verification as may be requested by the Company.

Exchange of Shares

Exchanges of Investor Shares in the Sub-Fund with any other Class of Investor Shares in issue are not permitted.

Investment Restrictions

Other than what is stated above, there are no restrictions in the manner and extent to which the Company may deploy, pledge or otherwise give as security, the assets of the Sub-Fund, or assume liabilities, in pursuit of the specific investment objective, approach and strategies of the Sub-Fund.

Please see the subsection below entitled “**Borrowing Powers**” for further details.

Borrowing Powers

It is anticipated that the Sub-Fund will be leveraged, through borrowing or the use of financial derivative instruments consisting of contracts for differences, futures contracts, forward agreements and options.

Please refer to the above subsection entitled “**Investment Restrictions**” for information on how the Sub-Fund will be employing leverage.

Use of Leverage

The Sub-fund trading activity risks are magnified by leverage. Losses can exceed the Sub-Fund's deposits. Margin calls may be made quickly or frequently, especially in times of high volatility, and if the Sub-Fund cannot meet them, its positions may be closed out and any shortfall will be borne by the Sub-Fund.

Values may fluctuate significantly in times of high volatility or market /economic uncertainty. Such swings are even more significant if the Sub-Fund positions are leveraged and may also adversely affect the Sub-Fund position.

Given that the Sub-Fund is permitted to make extensive use of leverage, as specified above under section “**Investment Restrictions**”, any relatively small movement in price can result in a high return or substantial losses. For these reasons, before deciding to invest in the Sub-Fund, Investors should carefully consider their objectives, financial resources, needs, level of experience and other circumstances.

Risk Factors

IN EVALUATING THE POTENTIAL AND SUITABILITY OF AN INVESTMENT IN THE SUB-FUND, CAREFUL CONSIDERATION SHOULD BE GIVEN BY PROSPECTIVE INVESTORS TO THE RISK FACTORS MENTIONED IN THE RELEVANT SECTION IN THE OFFERING MEMORANDUM WHICH RELATE TO THE MARKETS IN WHICH THE SUB-FUND'S ASSETS WILL BE INVESTED.

Pricing

The Investment Manager and the Administrator will be responsible to track the expenses of the Sub-Fund. Preliminary and ongoing legal, printing and continuous offering documentation expenses, in connection with the continuous offering of Investor Shares, will be capitalized and then amortised by writing off equal instalments on each Valuation Day over five (5) years (and thereafter as incurred).

Whilst the Investment Manager considers that such a valuation methodology is appropriate such policy may conflict with International Financial Reporting Standards.

The Sub-Fund will also be subject to other fees including, its pro-rata share of the operating expenses of the Company as set out in the Offering Memorandum.
